

Greetings & welcome to all our new school families.

If may have seemed as if the PTA had been a bit quiet last term, but plenty has been happening behind the scenes. Check out the sidebar for items that have been funded this year.

Thanks to all the teachers for organising their classes and presenting some wonderful Calendar Art. We're sure many families & friends will be enjoying lovely bright cards, calendars or a diary during 2016. Orders arrived at the end of Term 3. If you haven't received yours, please check with your class teacher.

As mentioned in the school newsletter, the math-a-thon was a great success. We raised \$21,773.

This year we've been raising funds to beautify the school surroundings. Specifically areas in between hubs, where more shade and plantings are needed.

If you're interested in finding out what other events the PTA supports, or coming along to one of our meetings, please contact us at the above email address or leave your details at the school office.

Alternatively, you can become a "Friend" of the PTA, which means we will contact you when we need volunteers for events.

Volunteering is a great way to meet other school parents, and there is no obligation to help at every event.

We thank you for your support with fundraising initiatives during Term 3.
