

**Rototuna Primary School  
Digital Platforms for PARENTS**

| Digital Platforms for PARENTS  | Purpose  |
|--|--|
| <p><b>Kindo</b></p>  | <p><b>Kindo</b> is an online school shop where parents can:</p> <ul style="list-style-type: none"> <li>● Buy stationery</li> <li>● Pay for school fees</li> <li>● Enrol in sports teams and pay sports fees</li> <li>● Provide trip permissions and pay trip costs</li> </ul>  |
| <p><b>@school</b></p>           | <p><b>@School Parent Portal</b> allows parents to access:</p> <ul style="list-style-type: none"> <li>● School calendar</li> <li>● Newsletters</li> <li>● Child's sick bay history</li> <li>● Child's absence history</li> <li>● Child's permissions</li> <li>● Contact and medical details for child</li> <li>● Child's previous reports</li> <li>● Child's current report</li> <li>● Child's SPOTLIGHT learning portal</li> </ul>  <p><b>SPOTLIGHT</b> is a child learning space where their learning goals in writing and mathematics are now shared with students and their parents through this online portal.</p>  <p>Parents can log-in to <b>SPOTLIGHT</b> and see everything their child can see as well as accessing real time reporting on their child's progress and achievement throughout the year. Parents can access <b>SPOTLIGHT</b> by logging into the <b>atschool</b> portal and clicking on the <b>SPOTLIGHT</b> link under the <b>MY CHILD</b> tab or <b>LEARNING</b> tab.</p>  |
| <p><b>RPS School App</b></p>  | <p>Rototuna Primary School provides a <b>School App</b> that supports parents to access school information easily. Through the app parents can access:</p> <ul style="list-style-type: none"> <li>● the school calendar</li> <li>● newsletters</li> <li>● @school parent portal</li> <li>● order lunches</li> <li>● log child absences</li> <li>● Daily messages</li> </ul> <p>Parents can also receive notifications when new information is added.</p>   |

We no longer use **SeeSaw**, as **SPOTLIGHT** provides the space for students to upload evidence of their learning to share with parents.

| Digital Platforms for STUDENTS | Purpose   |
|--------------------------------|---|
| SPOTLIGHT                      |  <p><b>SPOTLIGHT enables students to:</b></p> <ul style="list-style-type: none"> <li>● Access their own learning goals (anytime, anywhere and on any device);</li> <li>● See their own progress towards meeting their learning targets;</li> <li>● Set a timeframe to complete their most important learning goal each week;</li> <li>● Access digital learning content for each assigned set;</li> <li>● Access child-friendly examples for each set so they know exactly what success looks like for each learning goal;</li> <li>● Upload evidence of their learning against each 'set' so the teacher can sign the goal as achieved;</li> <li>● Access their learning timetable each week, seeing when they will be working on with the teacher and any follow-up exercises;</li> <li>● Access the class timetable and challenge themselves to attend another learning group if they wish.</li> <li>● Access their own progress graph;</li> <li>● Get up-to-date feedback and comments from teachers about their learning progress.</li> <li>● Get feedback and comments from their parents about their learning progress.</li> </ul> |
| Google Classroom               | <p>Google Classroom is an <b>optional</b> online management tool used by some teachers and students in Year 4 - 6 teams. Google classroom allows teachers to:</p> <ul style="list-style-type: none"> <li>● Create and manage learning tasks for groups of students within their class</li> </ul> <p>Google Classroom allows students to:</p> <ul style="list-style-type: none"> <li>● Keep track of their own class work and learning resources.</li> <li>● Share resources and interact in class stream or by email.</li> <li>● Submit completed learning tasks.</li> <li>● Get feedback on learning.</li> </ul>   |
| Maths Buddy                    | <p>Year 3 - 6 students can pay an annual subscription at a reduced cost through school to access extra maths learning task online via Maths Buddy.</p>  |
